

*I login to Sycamore Education every day. It's made it easy to stay connected to the school. Now I always know how my kids are doing, and I can easily communicate with their teachers. I love it!*  
-Anna S., Mother of 5 students

## Get Connected - Stay Connected

Sycamore Education is a secure, online community used by schools around the world. A connection to the internet is all that is required to access your school's news, calendar events, classroom web pages and more. Using Sycamore Education will allow you to access school information you need, when you need it. But Sycamore is more than an information portal. Sycamore provides streamlined real-time communication between educators and parents.

After receiving your School ID, Username, and Password you can begin accessing your student's information. To login, simply go to [www.sycamoreeducation.com](http://www.sycamoreeducation.com) and enter the information under the Login button.

### How Sycamore Can Be Used By Parents

#### Front Desk

Under Front Desk on the menu, you can see a list of school employees and send them either email or a pass-a-note by clicking on the appropriate icon to the right of their name. You will also find under Front Desk a school directory.

#### Info Center

Info Center is where you can print out a month view of the lunch menu.

#### My School

Under My School - on the menu you will be able to view your family, contact and student information.

Good Afternoon,

Josh Lori

#### My Students

For a shortcut to your student's information, click on the student icon in the upper right corner on the school home page. From here, view your child's grades for each class. Clicking on the red school house icon will take you to the classroom homepage. Classroom web pages allow you to see a classroom directory, calendar events including assignment due dates and any photos or documents the teacher has chosen to upload.
