

## Confirmation Service Project

Confirmation Candidates are required to do a service project before being Confirmed. Denise Whelan must approve all service projects before beginning. This service project should be something you are passionate about, a way you would like to help our community!

Once you have completed your service project, you will need to write up a reflection. The reflection should include what you did, why you did it, how it affected the community, and how it affected you as a person. Additionally, how did your faith impact your service project?
