## Mission Statement

We, the community of St. James, are a prayerful and Eucharistic people who treasure our Catholic traditions. We strive to grow in our faith by being good stewards of the gifts God has given us; sharing God's truth with all. As the Body of Christ, we are called to love and serve everyone, especially the marginalized, with joy and hospitality.

## Do You Know?

A big round of applause for our Landscape Team led by Gretchen Lathrop and Sandy Turner. They not only keep our church and islands looking great but are now working with the landscape architects on our new church's flowers, shrubs and trees.

I will list the names of the other folks who work diligently on our grounds in the near future.

**Thank You,**

### Celebrating 100 Years - Our Lady of Fatima Plenary Indulgence Opportunity

The 3rd apparition of Our Lady at Fatima, Portugal occurred on July 13, 1917.

Pope Francis has granted a plenary indulgence opportunity for the 100th anniversary of the Fatima apparitions throughout the centennial year, from November 26, 2016 til November 26, 2017. In addition to making a pilgrimage to the Fatima shrine in Portugal, there are two other ways to obtain the indulgence. One must also fulfill the ordinary conditions: go to Confession and Communion, be interiorly detached from sin, and pray for the intentions of the Holy Father.

1. Visit with devotion a statue of Our Lady of Fatima solemnly exposed for public veneration in any church, oratory or proper place and there devoutly participate in some celebration or prayer in honor of the Virgin Mary."
2. The elderly and infirm can pray in front of a statue of Our Lady of Fatima and spiritually unite themselves to the jubilee celebrations on the days of the apparitions, the 13th of each month, between May and October 2017, offering to God with confidence, through Mary, their prayers and sufferings or the sacrifices they make in their own lives."

For more information on this indulgence visit

## From the Pastor's Pen

As we journey through summer, now that we are into July, the Gospel reminds us to 'Come to me, all who are weary and find life burdensome.....and I will refresh you'.

May we trust in the words of Jesus, and trust in God's guidance, and be that source of compassion and guidance for one another.

We pray for the teens of our parish who are headed to the Steubenville retreat in Springfield, MO, next weekend! This is a great opportunity for our young people, and we pray in gratitude for Denise, our Youth Director, as well as parents and chaperones who are helping make this trip possible.

Also, don't forget to mark your calendars for the Do-Dads Annual Holy Smoke BBQ, which will be on Friday and Saturday, August 11 and 12. This is a great family event, with lots of activities for folks of all ages! Come and bring your friends and neighbors!

Thanks to all who are such good and faithful stewards during the summer, when we might be travelling, to be faithful to your giving here at St. James! We count on all of us doing our part, both in our weekly/monthly giving, as well as being faithful to our Building Fund pledges!

It's an exciting time for us here at St. James – and with all of us doing our part – we can see groundbreaking happening next Spring in 2018. We were hoping for this Fall, but the cost of construction has increased, and the diocese (who lends us the money), asks us to have 50% of cash on hand before we can start building. This helps us to be responsible stewards, and hopefully we can see construction beginning on our New Church after Easter of 2018!!

We are grateful for all God's Goodness and Blessings! May you and your families know the Power of Christ's compassion and Love.

Peace,  
Fr. Mike

Forever Grateful,

Thank you!

## Someone is Watching and Wondering

For many of us sailing on a great cruise ship has provided opportunities to visit amazing places around the world, places that are difficult to see without this luxury. However, not all ocean vessels are equal. In September, 1986, a ship named the *Khian Sea* left Philadelphia harbor with a cargo consisting of 15,000 tons of ash, the remains of that city's incinerated trash. The *Khian Sea* left port destined for the Bahamas, however, upon arrival the cargo was rejected. The ship continued to circumnavigate the globe without finding another city or country willing to accept the cargo. The ship was renamed the *Felicia* then the *Pelicano* re-registered, and the cargo manifest changed to state that the ship carried "general cargo," "bulk construction material" and even "top soil/fertilizer." In December, 1987, approximately one-quarter of the cargo was dumped on a beach in Haiti, before the Haitian government stepped in and ordered the ash removed. The ship left Haiti, without recovering any of the ash, and continued to seek a place to dump the remaining garbage/ash.

You are probably thinking, what's the point? To state it simply, each of us carries personal garbage, collected overtime through our day to day living, and where do we try to dump it. For example, a family member or close friend makes a statement that we find disrespectful or offensive. We are angry and find a scapegoat on which to dump. Max Lucado in his book *A Love Worth Giving* states: "today's thoughts are tomorrow's actions, today's jealousy is tomorrow's temper tantrum, today's bigotry is tomorrow's hate crime, today's anger is tomorrow's abuse, today's lust is tomorrow's adultery, today's greed is tomorrow's embezzlement." I think you get the idea. Unlike the crew of the *Pelicano*, however, we have a place to dump our garbage: We can give it to God, trusting in His love. I suggest two scripture passages for meditation on this idea of trust and surrender: Proverbs, chapter 4 and John 4:4-30. Like the Samaritan woman, if we let Jesus on board, He will change our cargo. He will take the garbage within us and replace it with His love and grace. It is a choice we must make. We can continue lives filled with garbage, drifting from one port to the next or we can invite Jesus into our darkest places, embracing His love and forgiveness. Led by His Spirit we can become His light to the world. It is your choice.

Your Sister in Christ, *Sandy Gagnon*

### To All Of Our Wonderful Parishioners Who Made the St. Joseph Table A Success

As the chairman of the St. Joseph Table I want to thank each and everyone of you for all your help making our table a success!

- To all the volunteers who put time in and worked either or both days of the Table – especially those who came to help clean up!
- To everyone who made all of the delicious cookies and desserts that were used for the dinner and were sold at the Table.
- A great big thanks to all who brought and made items that were put on the main table.
- My special thanks to all our committee members, the kitchen crew, those who worked the wine, cannoli, cookies, raffle tables, and the ladies who worked the Table itself.
- Of course great thanks to Father Timothy, Mary DiGiovanna and all those who helped make and decorate our beautiful Table!

And, to all who attended either or both days. my deepest **Thank You** for all your financial support, whether it be for the dinner or other items. With your support we were able to raise \$4,750.00 that will go to our outreach ministries: St. James Food Kitchen, St. Mary's Food Kitchen, Hillcrest and Love Inc.

Thank you all once again for your hard work and devotion, it continues the honor of St. Joseph.

Blessings To All,  
Anna Jo Pfannenstiel

### Join Our Team

I know that it's summer, and your heads and your schedules are filled with summer things, but I want to put a small thought out there for your consideration. When we begin again in the fall, we will need some parent volunteers. Most of our team from last year is returning, but there will be some spots to fill, and there is always room for more helping hands! Being a catechist, sharing your faith with our students, is an incredibly rewarding ministry. I can vouch for that personally. I often joke about how I only meant to volunteer to be a hall monitor and look where I am now! While I know that I had the free will to make other choices, this is honestly the most rewarding work I've ever done, and I am overwhelmingly grateful that God led me – perhaps occasionally pushed me – to it. I can't imagine what my life would have been like and what I would have missed out on if I had said "no."

We would love to talk with you about joining our team – while there is a time commitment, our schedules allow for some flexibility and the requirements are pretty easy. I can promise that the effort required is far less than the return you get.

### This Week We Honor These Saints

#### July 11 - St. Benedict

Born in 450 Canonized in 1220

His main achievement is his "Rule of Saint Benedict", the most common and influential Rule used by monasteries and monks, more than 1,400 years after its writing.

#### July 14 - St. Kateri Tekakwitha

Born in 1656 Canonized in 2012

The first Native American to be recognized as a saint, she made a heroic decision to live a Christian life despite her trials and deep suffering and persecution of her faith.

#### July 15 - St. Bonaventure

Born in 1220 Canonized in 1482

He steered the Franciscans on a moderate and intellectual course. His theology was marked by an attempt completely to integrate faith and reason.

## St. James School News

### Spotlight on St. James School

### Third Grade

Theme: Earthkeepers

Our focus is caring for ourselves, supporting each other, and embracing God's creations. Each day third grade focuses on lessons rich with academic opportunity to prepare students to be stewards of God's gifts.

Here are some of the focuses during the year:

- ◇ Learn how people interact in a community
- ◇ How a community makes laws and changes over time to meet the needs of citizens
- ◇ Study animals and organisms that make up the world around us
- ◇ Study trips include places that help students become immersed in discovering the symbiotic relationships that keep the earth running smoothly

### Technology in PE/Health

Middle school students have begun using a program called Plickers (described below).

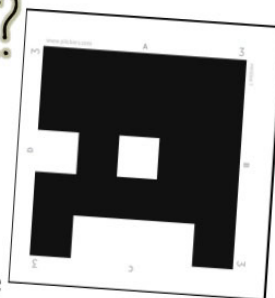

Students were able to be assessed using this format for a basketball test and a fitness components test.

Plickers are a huge hit and will be continued in PE.

How does it work?

- Each student is given a card with a unique visual code.
- The code has 4 sides, each lettered A, B, C, and D.
- The student holds the card so that the letter they choose to answer the question with is at the top of their card.

### School Mission Statement

The St. James Catholic School Community, a ministry of the parish, empowers students to achieve their full academic and Christian potential, become prayerful, lifelong learners and good stewards of God's gifts.
